Training course for UCI Trials International Commissaires 2021

Dear President,

As it was announced in the UCI Newsletter, February 2021, the next UCI trials international commissaires course was postponed from 2020 to 2021. By this letter we would like to inform you that we are starting the candidate application process for the named course.

Venue:	Cordon (France)
Date:	19 th – 21 st July
Written exam:	21 st July
Practical assessment:	24 th and 25 th July, during the UCI Trials World Youth Games
Course Language:	English

To be able to be admitted to the selection procedure to become a UCI trials international commissaire, the candidate has to meet the following conditions:

- 1) be a licence holder of a UCI-affiliated national federation;
- 2) be qualified as trials national commissaire;
- 3) have an excellent knowledge of the UCI regulations;
- 4) provide evidence that he/she has served actively as trials national commissaires in the two years preceding the selection;
- 5) have a command of the official course language;
- 6) be proposed by the national federation. Such federation is required to submit an online application form following this [LINK](#) before **1st May 2021**.

The application shall include the following documentation:

- a copy of an official identity document (ID or passport) showing that the candidate is aged between 25 and 50 years in the year of his/her selection by the UCI;
- a copy of the commissaire's UCI license.

More information about international commissaires' courses is also available in Part 1, Chapter 1, paragraph 4 of the UCI Regulations. There are limited places available, therefore, the final selection of candidates is done by the UCI and is based on the applications received and upon the present and expected future distribution of international competitions within each continent. The outcome from the selection procedure will be communicated directly to the National Federations in May.

Additionally, we would like to inform you, that all the participants will be responsible for their travelling costs, accommodation and meals during the course. However, the UCI will offer them the most favourable arrangements. More detailed information will be provided to the National Federations and participants at the appropriate time.

Finally, taking into consideration global health situation, it is also important to mention that National Federations and potential candidates will be regularly informed by the UCI about the latest developments towards given commissaire training.

Please do not hesitate to contact us should you have any questions related to the application process.

Yours sincerely,
