P1 and P2, the main access car park to the Velodrome is not available to event personnel as it is reserved for the stores Mediamarkt and Decathlon. P7 is the parking place of guests of the Intratuin. Parking passes will be allocated to the teams at the accreditation centre according to the numbers of riders entered, until to a maximum of two passes per nation.

Any further vehicles should be discussed with the team area coordinator.

3.6. TEAMS STORAGE AREA

Storage containers are allocated to teams according to the numbers of riders entered.

The containers are located in car park 8 as per the map (page 28). Each container is provided with lighting. The team cabin area is covered by security 24 hours a day from Friday August 13th.

Teams who arrive prior should contact: a.haantjes@libemaprofocycling.nl

The Team Cabin Coordinator will meet each team on arrival and show you to your allocated Cabin. It is important that teams only use the cabin allocated to them. Due to the numbers of teams entered and space limitations it will be necessary for some smaller teams to share cabins.

A security deposit of € 100,00 in cash must be paid for each key. Please ensure you sign your key back in at the end of the event, no later than **10h00 on Monday 23rd of August.** Lost/unreturned keys will be charged at € 100,00 euro per key. The deposit will be returned once the team cabin has been inspected and is left in the condition in which it was issued to you. Your deposit will not be returned if there is any damage to the team cabin and you may incur additional repair costs if the damage exceeds the initial deposit.

Lost keys – if your team misplaced the key for your team cabin, a replacement key is available from the Team Cabin Coordinator. Teams will be responsible for the cost of replacing lost keys. Key replacement cost is € 100,00 euro.

Teams will be able to access the storage compound from **Friday 13th of August 13h00** until **Sunday 22 August 20h00**.

3.7. TEAM BOXES (track centre)

Track center boxes will be available from Saturday 14th of August at 8h00. Team boxes are allocated in the track center taking into account the size of each team. Due to the large number of people on the track center, the space is limited. Please ensure equipment does not excessively narrow or block walkways.

Fire Regulations insist that corridors in the track are maintained for emergency evacuation purposes. To ensure the track center can be cleared quickly and safely in an emergency, please ensure equipment does not excessively narrow or block walkways. Team boxes will have one table, chairs and bike racks. No furniture is to be removed from the allocated box, from the infield or chained up.

Power supply in team boxes

Teams boxes will be powered with 230V, standard 2-pin outlet. The venue requires that all electrical equipment meets Dutch Standards to meet safety requirements. Teams must have all appliances tested and tagged by a qualified electrician. Please do not plug extension leads into this socket or kettles, coffee machines or fan heaters as they use high power consumption and may cause the supply to fail.

***Wifi:** Wifi will be available for teams in the velodrome allocated area.
